

## PROFESSIONAL PROFILE

---

Lee White  
Vice President-Commercial Sales  
Bosma Enterprises

Lee White is currently the Vice President-Commercial Sales at Bosma Enterprises, an Ability One organization based in Indianapolis that supports independence for Indiana residents with vision loss. Mr. White has worked in the disability arena for over 30 years and serves on the Board of Directors for the United Cerebral Palsy Association of Greater Indiana. He has built an extensive and successful career in both purchasing and executive selling and is active in sales training, lecturing and mentoring. Mr. White also serves on Boards with the Central Indiana Community Foundation, Skyline Club Board of Governors, Marian University Advisory Board and the Indy Chamber Membership Council. Mr. White is a champion for racial and gender equality and is currently working on strategies for crime prevention and poverty amelioration in his home city of Indianapolis.
