

PROFESSIONAL PROFILE

Robert White
General Manager - Indiana
The Diversity Consortium

Background & Experience

United States Air Force, Security Forces
(1998- 2008)

Federal Law Enforcement Training Academy
(2010)

Bachelor of Science Business Management
Indiana Wesleyan University (2013)

Mr. White has over 20 years of experience in leadership as a member of the United States Air Force and Veterans Health Administration, with a proven track record of proactive and decisive leadership, needs and process assessment, team building and mentoring, workflow and process design, cost and budget optimization, ultimately resulting in improved customer experiences and outcomes. His passions also have led him to the Non-Profit sector to work with Homeless and at-risk Veterans and ownership of a Service Disabled Veteran Owned Small business. His expertise in developing people, leading project teams, and facilitating corporate change make him a great addition.

Mr. White is responsible for delivery of effective and efficient ongoing support to DC clients. He will also coordinate with the Partner director and Diversity Partners to understand their processes and products, to maximize output while reducing costs, and create cross company-integrated deliverables for clients.

Mr. White has been involved in the development of best practice and delivery of value-added solutions for a variety of clients across the US, which has allowed him to be valuable across multiple service lines and environments.
