

PROFESSIONAL PROFILE

Tony Chauhan, MD
FirstCall Health Services
Chief Medical Officer

tchauhan@firstcallhs.com
M: 803.397.5902

Dr. Chauhan completed his undergraduate studies(1996) and medical studies at Sint Eustatius School of Medicine(2000). Out of medical school he pursued a residency in Family Medicine in Greenville, SC. During his medical training, Dr. Chauhan completed research with the Cleveland Clinic Foundation in the Department of Andrology. He has published multiple papers in the America Urological Association. After residency, Dr. Chauhan worked in the ER and Urgent Care setting, enhancing his strengths at being able to quickly analyze information in an emergency and produce solutions.

Since practicing medicine starting in 2005, Dr. Chauhan has been involved in starting up 3 different primary care offices and a hospice company. Serving as the medical director of an ambulance company, a hospice company, skilled nursing facility and several medical spas. His diverse experience and skill-set make him a natural leader and an educator. Currently, Dr. Chauhan owns two medical spas where he oversees various medical procedures, leads a medical weight loss program, performs liposuction, and has developed a male hormone program.

During his free time, Dr. Chauhan is an active father of twin boys. He enjoys playing basketball, racquetball, traveling and mountain biking.

Dr. Chauhan resides in Columbia, SC.
